

DSBN is your one-stop online small business resource bringing together articles, business tools, useful downloads, information on events and seminars, as well as special offers on small business products and services. Save time, money and access relevant small business support to help you grow your business.

To support our small business customers, each participant at our seminar will receive a 12 month subscription to the DSNB Premium Membership (valued at \$99) free of charge.

Premium Membership provides you with immediate and unlimited access for 12 months to growing resources to help your small business. New content and offers are updated on a weekly basis . This includes:

- Over 400 hundred small business articles covering a wide range of topics from business planning to sales and marketing.
- Easy-to-use business tools and templates including business and financial planning templates, human resources and performance analysis tools, small business checklists, quizzes as well as marketing and sales tools. It also includes a mini-MBA online program.
- All downloadable resources including a growing library of e-books, book summaries, podcasts, reports and soon to be launched - software downloads.
- Discounts and invitations to small business events and seminars.
- Special offers for savings on business essentials, personal and lifestyle products.

To register for this special offer, go to www.dsnb.com.au/member_centre/xdoc.asp.
